

PHYSICS UNDERGRADUATE RESEARCH FAIR

Are you a Physics major OR thinking about majoring in Physics??

Join us and learn what you can do as an undergraduate in physics research at CSU (**while enjoying delicious pizza!**).

Eat, mingle and enjoy an evening of Physics! For additional information, please contact the office staff at 970-491-6206.

Meet by the pendulum in the Physics department and find out how to get involved in research!

Wednesday, October 25, 2017

5:00-7:30 pm
